THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION, LIMITED.

The only Scottish Office transacting Fidelity Guarantee business alone.

Subscribed Capital £500,000. Invested Funds, as at 31st May, 1911, £105,000

INSURANCE AGAINST FRAUD and EMBEZZLEMENT

Although it may not be generally known that only a comparatively small percentage of the many acts of **fraud** and **dishonesty** committed by trusted officials is brought into public prominence the necessity of employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. **It is the obvious duty of Members of Corporations, School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper security is held on behalf of those whose funds they administer,** and the moral and financial safeguard of a Guarantee Policy issued by a good Company should commend itself.

The Premiums charged by **The National Guarantee and Suretyship Association** are based on the statistics of nearly half a century's experience, and a full prospectus containing an approximate table of rates for the various classes of risk will be sent on application. Special Quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to **Accountants, Solicitors and others,** in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
